

This workshop aims to be a meeting place where excellence in Artificial Intelligence research meets the needs for solving dynamic and complex problems in the real world. The academic researchers, developers, and industrial practitioners will have extensive opportunities to present their original work, technological advances and practical problems. Participants can learn from each other and exchange their experiences in order to fine tune their activities in order to help each other better.

On behalf of the organizing committee, we invite you to participate in the

## **5th Multi-Disciplinary International Workshop on Artificial Intelligence (MIWAI 2011)**

scheduled to be held in University of Hyderabad, Hyderabad, India from December 7 to December 9, 2011.

MIWAI 2011 is organized jointly by the Department of Computer & Information Sciences, University of Hyderabad, India and Faculty of Informatics, Mahasarakham University, Thailand.

As Artificial intelligence is a broad area of research, we encourage researchers to submit papers in the following areas but not limited to:

- Agent-based simulation
- Agent-oriented software engineering
- Agents and Web services
- Agent-based electronic commerce, auctions and markets
- AI in video games
- Computer vision
- Constraint satisfaction
- Data mining
- Decision theory
- Distributed AI
- E-Commerce and AI
- Game theory
- Internet/WWW intelligence
- Industrial applications of AI
- Intelligent tutoring
- Knowledge representation and reasoning
- Machine learning
- Multiagent planning and learning

## CFP: MIWAI 2011, Dec. 7-9, 2011, Hyderabad, India

Written by Marc Sevaux

Friday, 10 June 2011 12:55 - Last Updated Saturday, 11 June 2011 13:22

---

- Multiagent systems and their applications
- Multiagent systems and evolving intelligence
- Natural language processing
- Neural networks
- Planning and scheduling
- Robotics
- Uncertainty in AI
- Web services

The last date for paper submission is **June 15, 2011**.

MIWAI 2011 proceedings will be published by Springer-Verlag in LNAI series. Further details about this workshop can be accessed at

<http://khamreang.msu.ac.th/miwai11/>
