

Call for Papers

7th World Congress on Nature and Biologically Inspired Computing (NaBIC2015)

<http://www.mirlabs.net/nabic15/cfp.php>

Dates: December 01-03, 2015

After the success of the previous 6 events held in India, Japan, Spain, Mexico, USA, and Portugal, we welcome your participation and contribution to the 7th World Congress on Nature and Biologically Inspired Computing (NaBIC2015) to be held in Pietermaritzburg, South Africa during December 01-03, 2015. NaBIC 2015 is organized to provide a forum for researchers, engineers, and students from all over the world, to discuss the state-of-the-art in machine intelligence, and address various issues on building up human friendly machines by learning from nature. The conference theme is "Nurturing Intelligent Computing Towards Advancement of Machine Intelligence".

Important dates:

- Special session proposals: May 15, 2015
- Acceptance of special sessions: June 15, 2015
- Paper submission due: July 15, 2015
- Notification of paper acceptance: August 15, 2015
- Final manuscript and registration due: September 15, 2015
- Conference: December 01-03, 2015

The papers should be organized so as to accommodate abstract, introduction, state-of-the-art, objective, used methodology, obtained results and references. Submitted papers should be original and contain contributions of theoretical, experimental or application nature, or be unique experience reports.

Proceedings are expected to be published by: Advances in Intelligent and Soft Computing, which is now indexed by ISI Proceedings, DBLP, Ulrich's, EI-Compendex, SCOPUS, Zentralblatt Math, MetaPress, Springerlink

Papers maximum length is 10 pages. - Papers must be formatted according to Springer format (Latex/word) available at: <http://www.springer.com/series/4240> Detail call for paper can be accessed from: <http://www.mirlabs.net/nabic15/cfp.php>

Authors of accepted papers presented at NaBIC 2015 will be invited to submit extended versions of their manuscripts for consideration in the following International Journals:

- Journal of Intelligent Systems, John Wiley, USA
- International Journal of Autonomic Computing (IJAC), InderScience Publishers
- International Journal of Computer Information Systems and Industrial Management (IJCISIM), Dynamic Publishers, USA
- Journal of Intelligent and Fuzzy Systems (JIFS), IOS Press, Netherlands
- International Journal of Hybrid Intelligent Systems (IJHIS), IOS Press, Netherlands
- International Journal of Combinatorial Optimization Problems and Informatics, Mexico
